SEPTEMBER 2025

Welcome

Welcome to the wonderful Andrews High School!!!!

September

In 2025–2026, we are preparing our students for life. High school is the last stop before students enter the real world of college, career, and adult life. It's where adolescents are supposed to develop both academically and socially, so they'll graduate prepared for all the future has to offer.

Safety

The Administrative Team of Andrews High School takes all staff and students' safety seriously. Consequently, for the 2025–2026 school year we will be implementing a series of precautionary safety measures such as:

- No backpacks will be allowed in the building.
- All students and visitors will be required to walk through a metal detector upon entering.
- Students will not be allowed to sign in and leave without written or phone confirmation from an authorized parent or guardian.
- Students are required to arrive before 8:00AM for Session 1 and 12:15 pm for Session 2. Students arriving within the documented 30 minutes at the start of each session will be designated as tardy.
- No unapproved late arrivals will be allowed in the building after the tardy period (first 30 minutes).
